COMMUNITY SAFETY UPDATE

WEST NILE VIRUS IS IN ARCADIA

Health officials have confirmed the first case of West Nile Virus in the city of Arcadia this year.

The sample was collected on Aug. 18 from a trap site near Baldwin Stocker Park, according to the San Gabriel Valley Mosquito and Vector Control District.

WAYS TO REDUCE EXPOSURE TO MOSQUITOES WITH WEST NILE VIRUS

Visit westnile.ca.gov for the latest details & updates on West Nile Virus.

- 1 **Get rid of standing water**, aside from pools properly treated with chemicals.
- 2 **Spend as little time as possible outdoors** at dawn or dusk, when mosquitoes are generally on the move.
- 3 Wear **long pants** and **long-sleeved shirts** during outdoor activity in mosquito-prone areas.
- 4 Use **insect repellent**.
- 5 Ensure **door(s)** and **window screens** are **fitted** properly to keep bugs out.
