

STEVE RHEE

RESTORE TRUST IN ARCADIA

MY STORY

I was born and raised in Orange County, where my parents built a new life after immigrating from South Korea to pursue the American Dream.

My parents ran a nursery six days a week, and our home sat right on the property.

They built a business, raised a family and made sacrifices allowing me and my brother to have a better life.

I graduated from Boston University and obtained an MBA from UCI (University California Irvine).

My father passed four years ago, and my 86-year-old mother, who has dementia, now lives with me in Arcadia.

Growing up in a family business taught me the value of hard work, integrity, dedication, and doing what it takes to make things happen.
