

STEVE RHEE D5

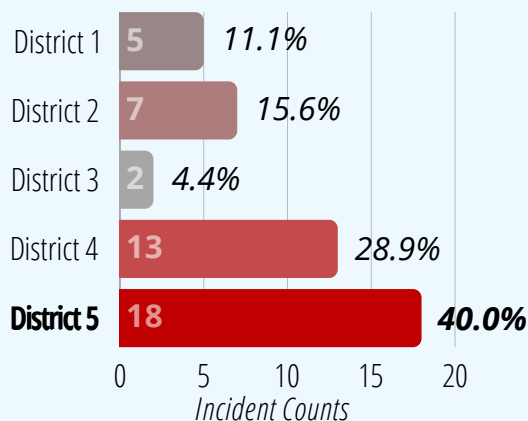

VOTE FOR STEVE RHEE ON NOVEMBER 3

RESTORE TRUST IN ARCADIA

Our homes and neighborhoods deserve continued attention to public safety.

Home burglary incidents in July, August, and September 2026

This recent crime map shows residential burglary activity across Arcadia, including incidents in District 5. Each marker represents more than a statistic. It represents a home, a family, and neighbors who deserve to feel safe.

Public safety is a top concern for District 5. Addressing residential burglary takes prevention, smart use of existing police resources, modern crime-fighting technology, and open communication between law enforcement and residents.

My goal is simple: safer homes and safer neighborhoods throughout District 5.

I will work with our Police Department and community to push for greater patrol visibility where residents need it most.
