RESTORE TRUST IN ARCADIA

Community events are important in Arcadia

I've helped organize and bring many events to Arcadia, including the Lunar New Year Festival which I chair, the Halloween Haunting and Holiday Fair in **Downtown Arcadia**, and even a poker tournament for the **Arcadia Education Foundation**.

These events are more than a fun gathering; they support local businesses, celebrate local organizations, and keep us connected.

PUBLIC SAFETY

COMMUNITY

Arcadians keep telling me the same thing: *they don't feel listened to.*

The concerns I hear most often as I knock on doors:

- **Foreign Influence** — The former mayor pleaded guilty to acting as an illegal agent of the People's Republic of China, raising serious concerns about transparency and trust in local government.
- **Crime and Break-Ins** — Residents want more neighborhood patrols.
- **Neighborhood Speeding** — Speeding on residential streets is a growing concern.
- **Unsafe School Drop-Off** — Double parking, speeding, and unsafe crossings create ongoing safety concerns for students and families near schools.
- **Invasive Tree Roots** — Overgrown roots are damaging sewer lines and creating costly repairs for homeowners.
- **E-Bike Safety** — Residents are concerned about young riders doing wheelies in traffic, running red lights, and riding unsafely on busy streets.
